

yobota

Fun Git Stats

Concept

- Weekly github-related stats
- Great for teams to look back on
- Fun statistics and reports on usage

Outcomes

- Commits by author over time
- Number of commits by author
- Shortest commit message
- Commit messages converted to haikus

Fun Git Stats

Libraries used

- Jupyter Notebooks (jupyter.org/)
- GitPython (gitpython.readthedocs.io/)
- Seaborn (seaborn.pydata.org/)
- PyPhen (pyphen.org/)
